HERAIS GROUP
Many Ventures. One Vision.

Meet Your Everyday AI Assistants

Thara & Novo help you explore Herais Group apps, understand information and turn ideas into practical next steps.

ASK & UNDERSTAND

Get clear answers, practical explanations and step-by-step guidance.

WRITE & ORGANIZE

Draft messages and documents, structure ideas and prepare useful content.

TRANSLATE & SUMMARIZE

Understand languages, simplify information and find the key points.

LEARN & EXPLORE

Study new subjects, ask follow-up questions and review what you learn.

PLAN & CREATE

Develop ideas, compare options and refine your plans or designs.

FIND YOUR NEXT STEP

Discover relevant features and get help using the app you choose.

Try asking: “Explain this simply.” • “Help me plan.” • “Show me the next step.”

HERAIS GROUP
Many Ventures. One Vision.

Two Assistants. Ten Ways to Help.

Thara & Novo adapt their guidance to the Herais Group project you are using.
